

INTER-OFFICE MEMORANDUM

Date : 03 Feb 2026
To : All SMSA Employees
From : Mohamed Bhaiyat, Director- Quality & Risk Management
CC : SMSA Management

Subject: Information Security – ISO 27001 POC Appointment

Dear All,

SMSA has established an Information Security Management System (ISMS) in alignment with ISO/IEC 27001 for Information Technology systems and related processes.

For the purpose of governance, accountability and effective implementation of the ISMS, the following point of contact (POC) appointments are confirmed:

- ISMS Authorized Authority: Yousef Taha, Chief Technology Officer (CTO)
- ISMS Management Representative: Kashan Khalid, National Manager – IT

These appointments are effective immediately. All employees and relevant stakeholders are requested to extend their full cooperation and support to ensure the successful implementation, maintenance and continual improvement of the ISMS.

Kind Regards,

Mohamed Bhaiyat
Director, Quality & Risk Management
